

Vulcana

Unwind in style

Vulcana is a sauna that combines a stylish, modern design with the finest craftsmanship and superior materials. The deep golden colour and smooth surfaces of the thermo-aspen walls are elegantly offset by dark embossed *Ignite* cladding to create a uniquely tasteful and striking synergy. The stunning *Ignite* cladding in alder is used sparingly on the feature walls to accentuate the thermo-aspen's true splendour.

The allure of Vulcana's exquisite design is not only visual; ease of use and wellness are also built in, with the app-controlled heater saving effort, the angled backrest adding comfort and the large glass frontage creating an invitingly bright and open space.
