AUROOM

# Cala

## Compact tranquility

A small sauna that's big at heart, Cala offers the benefits and enjoyment of a sauna in spaces of all sizes. The Cala sauna is made from thermally modified aspen, which offers exceptional build quality alongside its attractive appearance.

This small sauna is quick to assemble and can be installed in practically any space. And with its straightforward electrical setup, simple controls and low energy demands, it's easy to use and cheap to run.

# Key features and extras

**Compact size**
Cala is suitable for 1–2 users, while the smaller Cala Mini is designed for single occupancy. This makes Cala easy to fit into smaller spaces.

**Easy installation**
Installation is simple and only takes around 4–6 hours with two people.

**Multiple material options**
Cala's front wall is available in thermo-aspen (Cala Wood) or glass (Cala Glass). Cala Mini comes with a glass front only.

**High-quality thermally modified wood**
Thermal modification gives the premium-quality aspen wood an attractive darker color and a cosy feel.

**Lighting effects**
Cala's backrest comes with a built-in LED strip to bring additional illumination to the sauna room.

**Waxed surfaces**
Cala's wooden elements are pretreated with a protective sauna wax.
